PATENT

actitioner's Docket No. 1012-188US2

IN THE UNITED STATES PATENT AND TRADEMARK OFFICE

In re application of:

Kolosov, et al.

US04/08552

Filed: 03/19/2004

For: RESONATOR SENSOR ASSEMBLY

Commissioner for Patents

P.O. Box 1450

Serial No.:

Alexandria, VA 22313-1450

INFORMATION DISCLOSURE STATEMENT

Applicants submit this statement in accordance with their duty of disclosure under 37 CFR 1.56 and 1.97-1.98. The submission made herewith is in no way intended as an admission that the cited items constitute material prior art or otherwise would render the claims unpatentable in any way. The submission also is in no way intended to substitute for the Examiner's own independent investigation.

A listing of the references on forms PTO/SB/08A and PTO/SB/08B are submitted herewith. Copies of the U.S. references have not been provided because its filing date falls after June 30, 2003. Applicants respectfully solicit the Examiner's consideration of the cited references and entry thereof into the record of this application.

If additional fees are due with the filing of this paper, please charge the amount to

deposit account 50-0496.

Christophe J. Voci
